

CAPABILITY STATEMENT

Small Woman Owned business. Over 25 Years Maritime Experience. We have the capability moving heavy or specialized cargos, single assist jobs in smaller ports, emergency assist jobs, winter ice breaking, and general marine towing anywhere throughout the Great Lakes basin. Although our main focus is the transit of cargo between the Great Lakes and East Coast, via the Erie Canal and St. Lawrence Seaway, we have access to various types of barges for marine contracting, hauling cargo and lightering work.

Cage Code: 8P0R7
