Captain Commodes Rental luxury restroom trailers add a touch of elegance to any event. Our clean, private, and spacious restroom suites feature:

- Hands Free Flushing Toilets
- Sinks with Metered Faucets
- Vanities and Mirrors
- Air Conditioning
- Occupancy Light Indicators
- Interior & Exterior LED Lights
- Step Entry Lights
- Handrails

Trailer Requirements:

- 1 Circuits (20 AMP) in warm temperatures, 2 circuits in colder temperatures.
- Placement should be on solid level ground within 75 feet of electric and water source.

The Manhattan offers a clean and classic style from backyard weddings to corporate events. A dedicated men's, women's, and unisex suite each with private entrances can accommodate up to 250 guests.

Elegantly constructed with wood grain vinyl flooring, crown molding, handwashing sinks with metered faucets, liquid hand soap, and disposable paper towels.

Each suite is climate controlled to neutralize all weather conditions and provide guest with a first class restroom experience.
